Social Media Intern -EducationUSA Albania

Project Title	Social Media Intern - EducationUSA Albania
	Manage our social media pages, develop a strategy, and execute it with specific campaigns to promote higher education in the U.S.
Country	Albania

Project Description

EducationUSA Albania is looking for a talented social media manager to administer our social media accounts. The virtual intern will be responsible for developing a social media strategy and executing the strategy with specific campaigns on Facebook, and Instagram to increase the number of followers and engagement. The internship is perfect for someone interested in social media marketing and/or graphic design. Also, the intern should design a newsletter each week to deliver to potential students and school advisors.

Required Skills or Interests
